|---|---------------------------|---|
| Hydrangea macrophylla 'Schrolla20' (SPARKLING BLUE) | De Jong Plant BV, Boskoop | Compact plant, exceptionally rich-flowering. Reblooming in an attractive deep blue colour. |
| Itea virginica 'SMNIVDFC' (SCENTLOVE) | Valkplant BV, Boskoop | Well-shaped plant with a rather open habit for a plant of this compactness. Rich-flowering with relatively large flowers. Handsome combination of dark green to brownish green foliage and white flowers. |
| Spiraea nipponica 'SMNSNFD' (WEDDING CAKE) | Valkplant BV, Boskoop | Not spherical in shape, but with an attractive, somewhat capricious and compact shape. Rich-flowering and, for a Spiraea, with a very long flowering period. |

| Clematis 'Evipo111' (TRANQUILITÉ) | Hoogeveen Plants BV, Hazerswoude-Dorp | Attractive light blue flowers. Not unique, but good plants in an excellent presentation. |
| Diervilla rivularis 'SMNDRSF' (KODIAK BLACK) | Valkplant BV, Boskoop | Less dark foliage as in 'El Madrigal' (DIVA), yet a nice addition to this range of strong and versatile plants. |
| Hydrangea macrophylla 'Bailmacfive' (ENDLESS SUMMER SUMMER LOVE) | Bailey Nurseries Inc., Newport, MN, USA | Not innovative in colour and shape, but well-shaped plants and good rosy-red flowers. Commercially strong. |
| Weigela florida 'VUKOZ041323' (COLOURTWIST SUNNY SIDE UP) | Valkplant BV, Boskoop | Medium-sized shrub with white flowers fading light pink. Individual flowers open well. Discrepancy between information on label (height 1.75 m) and in fact sheet (height 1 m) |
