

KVBC Spring Challenge

Judging report

Goud

Spiraea 'NCSX2' (DOUBLE PLAY DOOZIE)	Valkplant BV, Hazerswoude-Dorp	A variety with exceptionally deep red flowers and attractive red young shoots. Handsome flower-foliage combination. Innovative. Healthy plants, well-presented.	8,8
--------------------------------------	--------------------------------	---	-----

Zilver

Cortaderia selloana 'Day1' (TINY PAMPA)	Van Vliet New Plants B.V., Stroe	Rich-flowering with inflorescences carried in between and slightly above the foliage. very short plant. The shown plants were slightly damaged by the heat. Well-presented.	7,7
Delphinium 'Et dlp 17-11' (DELGENIUM BREEZIN) (Elatum Group)	Gootjes-AllPlant BV, Heerhugowaard	A compact and sturdy plant with dark green foliage and spectacular flower colours.	7,6
Salvia 'Bocoffla' (FEATHERS FLAMINGO)	Gebr. Th. & W. Alkemade BV, Lisse	Handsome plant with attractive incised foliage and a light pink flower colour. Flowers-foliage combination is innovative. Sterile.	7,8
Viburnum odoratissimum 'Brant01' (COPPERTOP)	Snepvangers Tuinplanten BV, Molenschot	Attractive plant with attractive red shoots and glossy dark green mature foliage. Medium compact, rather loose growth. Well-presented.	7,3

Brons

Allium 'Lavender Bubbles'	Gootjes-AllPlant BV, Heerhugowaard	Rich-flowering plant forming large clumps. Inflorescences not carried on the same height above the foliage. Suitable for group plantings. not particularly innovative.	6,4
Buddleja davidii 'SMNBDL' (ROCKETSTAR AMETHYST)	Valkplant BV, Hazerswoude-Dorp	Attractive compact plant with relatively large flower panicles. Handsome flower colour, but not innovative. Not many flowers present during the trial.	6,4
Calluna vulgaris 'Fruehe Lisbeth'	Gardengirls Heidezuechtung GmbH, Edewecht, Duitsland	Healthy, rich-flowering plant. Mutation from 'Lisbeth' and flowering earlier in the season. Handsome colour, although not innovative.	6,2
Echinacea 'IFECSSWP' (SUNSEEKERS WHITE PERFECTION)	Gootjes-AllPlant BV, Heerhugowaard	Handsome plant; flowers with multiple whorls of ray florets. The combination of flower colour and flower shape is innovative. Presented plants somewhat open at the base.	6,7
Mangave 'Lavender Lady' (MAD ABOUT MANGAVE)	F.N. Kempen vof, Mijdrecht / Van Son & Koot BV, Kaatsheuvel	All assessed Mangave: innovative as garden plant or pot plant in the Netherlands. The knowledge that these are hybrids is what makes them special. - 'Lavender Lady' is a handsome plant with fine dark spots on the leaves. Resembling Agave.	6,5
Mangave 'Mission to Mars' (MAD ABOUT MANGAVE)	F.N. Kempen vof, Mijdrecht / Van Son & Koot BV, Kaatsheuvel	For all assessed Mangave, see above - 'Mission to Mars' is an elegant plant with handsome foliage colours. Very sharp leaf margins and tips. Elegant wavy leaves.	6,3
Mangave 'Pineapple Express' (MAD ABOUT MANGAVE)	F.N. Kempen vof, Mijdrecht / Van Son & Koot BV, Kaatsheuvel	For all assessed Mangave, see above - 'Pineapple express' has attractive colour patterns in its foliage. Somewhat finer in plant structure than the other two assessed varieties.	6,5
Physocarpus opulifolius 'ZLEBic5' (SWEET CHERRY TEA)	Kolster b.v., Boskoop	Handsome, compact plant with attractive small leaves. Good ornamental value and innovative in foliage colours. No flowers present when assessed.	6,7

6.1 - 7.0 = Bronze

7.1 - 8.0 = Silver

8.1 of higher = Gold
