

# International Seminar

Research farmers and agroecopreneurs:  
Pathways to adapt to and mitigate climate change

## 24TH MAY 2022:

15:00 to 17:30 pm WIB (10:00 am to 12:30 pm CEST,  
11:00 am to 13:30 pm EAT)

The international seminar addresses the potentials and challenges of agroecopreneurship as a pathway to adapt to and to mitigate climate change. The agroecopreneurship movement is still new and volatile, given the powerful agri-food-business actors and settings.

Participants discuss the collaborative efforts of research farmers, agroecopreneurs, scientists, and other value chain actors to mobilise for the transformation of our food systems.

### INTRODUCTORY NOTES:

### KEYNOTES:

Mr. Kustiwa Adinata  
(JAMTANI,  
Executive Director)

Prof. Dr. Rina  
Indiatuti, M.SIE.  
(Rector of UNPAD)

Nick Jacobs  
(Director International  
Panel of Experts on  
Sustainable Food  
Systems)

Maria Rowena A.  
Buena  
(Regional Coordinator  
for MASIPAG Luzon,  
IFOAM PGS Committee)

### AGROECOPRENEURS' PANEL:

Sylvia Kuria  
(Sylvia's Basket,  
Kenya)

Frank de Koning  
(BIO kwekerij,  
the Netherlands)

Bapak Untung  
(Tani Organik Merapi  
(TOM), Yogyakarta)

# International Seminar

Research farmers and agroecopreneurs:  
Pathways to adapt to and mitigate climate change

## Organizers:

Mr. Kustiwa Adinata, Executive Director of the farmer organisation JAMTANI (Jaringan Masyarakat Tani Indonesia) and Mr. Tandu Ramba, Program Director of MPM (Motivator Community Development Foundation) are the main organisers of the event series (National seminar, farmer go to campus, farmer exhibition, Business Meeting and international seminar)

The Faculty of Agriculture of the Universitas Padjadjaran (UNPAD) (Bandung, Indonesia) represented by its Rector Prof. Dr. Rina Indriastuti M.SIE., Prof. Tualar Simarmata and the Dean is hosting the seminar.

## AGENDA

15.00 pm	Welcome & Introduction
15.05 pm	Connecting Indonesian spirit to international audience: <b>Impact of the research farmers' approach</b> , Mr. Kustiwa Adinata, JAMTANI, Executive Director
15.15 pm	<b>Official opening</b> , Prof. Dr. Rina Indriastuti, M.SIE., Rector of UNPAD
15.20 pm	<b>TOP TEN of successful agroecological research:</b> How science match with farmers' demands, Student representatives
15.30 pm	Photo and Break
15.40 pm	<b>Good practices from our partners from the Global South: "Lighthouse projects"</b> , Ms. Iris Bauermeister, Bread for the World
15.45 pm	<b>Agribusiness-as-usual versus civil society-as-unusual: Transforming food systems by 2045</b> , Nick Jacobs, Director International Panel of Experts on Sustainable Food Systems (IPES-Food)
16.05 pm	<b>Market potential of "organic" food products by PGS: Global perspective</b> , Maria Rowena A. Buena, Regional Coordinator for MASIPAG Luzon, IFOAM PGS Committee
16.25 pm	Break
16.30 pm	<b>Acroecopreneurs' videos and lessons learnt:</b> Kenya: Sylvia Kuria, Sylvia's Basket Netherlands: BIO kwekerij Frank de Koning Indonesia: Bapak Untung, Tani Organik Merapi (TOM)
16.45 pm	<b>Panel discussion</b> with IFOAM, JAMTANI/MPM and agroecopreneurs
17.15 pm	Conclusion and feedback
17.30 pm	Closure*

## Facilitation by:

Dr. Silke Stöber  
Humboldt-Universität zu Berlin

Andrea Schroeter  
Humboldt-Universität zu Berlin
