

# BRITISH TOMATO CONFERENCE 2020

**LIVE ON-LINE – FREE TO REGISTER**

**24 SEPTEMBER 2020**

**[REGISTER HERE FOR FREE](#)**

**We are delighted to announce that our first ever On-Line British Tomato Conference will now be a [free event for all delegates](#).**

Thanks to the amazing support of our industry colleagues, key sponsors and trade stands we are able to offer [free delegate registration](#).

**Please share this exciting information with colleagues to help ensure that as many people as possible can take advantage of this fantastic opportunity to take part in the 2020 British Tomato Conference.**

With a unique event presentation style, an opportunity to link with other participants, sponsors and trade stands as well as speakers covering subjects as diverse as labour, marketing, policy, energy, research and innovation, and a section reporting on the latest international research and understanding of the important tomato virus ToBRFV, rounded off with a keynote presentation by Professor David Hughes, discussing insights into the future of fresh produce. The 2020 TGA Conference certainly is an event not to be missed. Book now!

**[And if you register you can also view the conference for up to 3 months after the event just in case you missed anything or want to watch again...](#)**

**[REGISTER HERE FOR FREE](#)**
