GET TO KNOW

OUR PUBLICATIONS

THE FRESH PUBLISHERS NETWORK

The Fresh Publishers network consists of 16 digital publications in seven languages. It includes specialised publications dedicated to specific industries, as well as several print editions, of which the Greenhouse Guide is most relevant to the greenhouse and vertical farming industries.

We distribute more than 450,000 newsletters daily. Our targeted network is highly valued by both readers and advertisers for the quality of information and its true relevance to their target audiences.

We welcome you to get in touch and discover how we can help you make the most of our opportunities.
