international fabric brands

# The Twin Company

# Nice to meet you

It's a pleasure to get to know you better! Wouldn't it be great if we could design your future fabric collection according to your expectations?

## Wow! factor

We commit to creating fabrics that turn your sofa into the **masterpiece** of your home. Our fabrics will not only lighten up your room but also offer you the look and feel that makes you happy.

Even better... Our collections are **designed for living**. They are made to create comfort for the entire family.

## We inspire

Come and see us to get inspired at our Belgian showroom. Your dedicated **contact person** will be pleased to browse through the collection with you and answer any questions you might have. Need for technical support? No worries! We have the **fabric experts** at your service.

You can't make it to Belgium? No problem! We are also showing our newest collections at the **main international fairs**.

# Think personalization

## Our customer focused approach

Upholstery fabrics is what we know and love. Inspired by upcoming trends, innovation and sustainability, we create an **extensive product range** that is as deep as it is wide.

**Personalization** is key to us. Too much choice? We will be glad to guide you through our vast collection and present you a product offer tailored to your needs.

Looking for something specific? We will be glad to assist and introduce you to one of our complementary brands.

## What you dream is what you get

Tell us your **dreams** and **expectations**. Let's brainstorm together and visualize your dreams. The key to great design is capturing the spirit of our customer as well as the essence of the product.

We believe in partnership based on **trust** and **knowledge**.

# Discover the Twin Brands

## The Twin Company

Tessutica is the **Twin Company**, proud parent of the Twin Brands: Beaulieu Fabrics and Ray Fabrics.

Two brands are more than the sum of its parts. The synergy between both brands originates from a long-standing tradition in weaving and an exceptional reputable **knowhow**.

Tessutica cherishes both brands **equally**. Each has its own style, characteristics and partners. Each has the space to grow and to expand the brand to the fullest. Each brand pitches ideas, introduces techniques and designs unique creations.

Synergies are created whilst respecting the individual brand identity. Tessutica serves as the **backbone** offering a solid structure with centralized services, R&D, production and logistics.

## Beaulieu Fabrics

With many years of experience, Beaulieu Fabrics is an established upholstery fabric brand renowned for **contemporary design, perfect proportions and diverse materials.**

Inspired by international trends, our highly skilled design team continuously creates new collections that are sold all over the world.

A wide range of yarns such as chenille, bouclé and many other fancy yarns are used to create a large variety of textures, looks and designs.

## Ray Fabrics

Previously known as Ragolle Fabrics, Ray Fabrics is built on a great tradition. This brand is famous for its **iconic and exuberant designs and fabrics**.

Created with passion, the Ray Fabrics collection breathes personality and classic charisma.

The innovative super-soft-double-tumble finish gives the chenille fabrics the rich luster and velvet-like handle that has become the brand's trademark.
